

### Spectacle Eyewear EYS1 T64005BLRB

<b>Description</b>	Supreme Spectacle
<b>Lens</b>	Rose brown lens. 4 A coating. The 100% Polycarbonate lens that is UV380, resists UV light on 380nm. The lens offers superior impact resistance and meets all optically correct standards. Lenses are 'Diamond' coated - anti-scratch, anti-fog, anti-static, and anti-UV, combined.
<b>Physical Properties</b>	Stylish spectacle with shiny blue polycarbonate frames and polycarbonate lens. Side arms fully adjustable: Horizontally - in out adjustment. Adjustable temples with soft pad ensure comfortable fit. The unique dual lens styling in a single piece lens design gives maximum protection and comfort for greater user acceptance. Dielectric, no metal parts so ideal for electrical work. A patented, soft, pivoting universal-fit nose bridge.
<b>Uses</b>	This spectacle can be used in areas where risk of injury from low impact is present e.g. light dust, general purpose
<b>Standards</b>	Conforms to ANSI Z87.1-2010
<b>Precautions</b>	Not to be used for any form of gas cutting or gas welding. Not to be used when arc welding. No protection is offered from infrared radiation. Not suitable as protection from chemical splash.
