uvex

Description uvex pheos small/narrow

Lens Polycarbonate clear lenses. The core component is the duo-spherical lens, which not only offers a wide field of vision but is extremely scratch-resistant on the outside and permanently anti-fog on the inside thanks to uvex's unique Supravision HC-AF lens coating technology. It also provides 100% UV protection.

Physical Properties uvex pheos' modern, fashionable design fit to narrower faces, makes it ideal for everyday wear in the industrial workplace. Duo spherical lens provides excellent all round vision. Eye plus-protection protects the eyebrows through an additional chamfer at the upper range. Outstanding ventilation ensures a well eye climate. Temple ends with non-slip components.

Uses Safety spectacle

Precautions Not to be used when welding, cutting, or for furnace work. Not for infrared protection.

Standards EN166
