

## Product Data Sheet – HEAD & FACE PROTECTION – Face Shields

### Face Shields

### HFV1 A-SP218C

<b>Description</b>	Spare PETG Visor
<b>Physical Properties</b>	The visor has been curved so that the front and sides of the user's face are protected. The PETG visor is clear with dimensions of 313mm x 207mm and 1mm.
<b>Uses</b>	Used for limited protection of the eyes and face from low impact, dust, metal machining and liquid splash.
<b>Standard</b>	None
<b>Precautions</b>	Does not protect against severe impact and splash hazards or when working near extreme heat sources e.g. furnace. Should always be used with suitable basic eye protection.
