

Product Data Sheet – HEARING PROTECTION – Banded Earplugs

Banded Earplugs HRB2 QB3

| | |
|--------------------|-----------------------------|
| Description | Band Type Hearing Protector |
|--------------------|-----------------------------|

| | |
|----------------------------|--|
| Physical Properties | The ergonomic design of the band keeps the pads suspended so they don't become contaminated when set down. It is designed for moderate or intermittent hearing protection as the semi-aural pads fit just into the ear canal opening. Replacement pads are reusable. |
|----------------------------|--|

| | |
|--------------------|----------|
| Attenuation | NRR 23dB |
|--------------------|----------|

| | |
|------------------|-----------------|
| Standards | ANSI S3.19:1974 |
|------------------|-----------------|

| | |
|-------------|---|
| Uses | Protection of moderate or intermittent noise exposure |
|-------------|---|

| | |
|--------------------|---|
| Precautions | Do not use where noise levels exceed 100dB. To ensure maximum protection always use as directed on the packaging. |
